Veteran's First Community

Chancellor's Village Independent & Assisted Living is proud to be a Veteran's First Community partnering with the Veteran's Administration to help increase awareness of the Aid and Attendance Benefit. This program is designed to provide financial aid to veteran's or surviving spouse's who require services for any number of daily activities. Living at Chancellor's Village Independent & Assisted Living may actually help veteran's qualify to receive this benefit.

Our support for veteran's extends from providing assistance in applying for service related benefits, hosting numerous veteran's events and honoring our veteran residents with distinguished celebrations.

At Chancellor's Village Independent & Assisted Living, we are committed to celebrating veteran's and what they have meant and continue to mean to our country!
