

## The Benefits of Moving to **ARBOR RIDGE AT STANLEYVILLE**

Arbor Ridge isn't your typical Independent or Assisted Living community. We are licensed by the state of North Carolina as a "multi-unit assisted housing community with services" (MUAHS). Our community is the perfect blend of Independent Living and Assisted Living. We specialize in serving residents fully independent from care to those that aren't quite ready for Assisted Living but receive routine care from our on-site team.

### **MUAHS advantage vs Traditional Assisted Living**

- Age in place with independence while having supportive or assisted services options on-site as needs change
- Larger living spaces with Kitchenettes for self-sufficient cooking, if desired
- Peace of mind for families knowing staff is on-site 24 hours in the event of an emergency
- More cost-effective
- More liberated and active environment
- Long-Term Care insurance (depending upon policy/coverage) that may cover costs of supplemental Homecare services
